Who we are

The knk Group is a **TOP employer for medium size companies** and a **Microsoft Gold Partner with Gold certification**.

As experts in publishing, knk serves the major book, magazine and specialist publishers in Europe, North America and Asia. knk offers the world's only Microsoft certified publishing software for this market. This market is changing rapidly, which is why knk's software is needed. As a consequence, knk is growing 25% p.a. in average.

It is knk's mission to support the freedom of the press by supporting this transformation, and by keeping publishing houses profitable and independent.

You want to join our product development team? Then please send us your application documents stating your salary expectations and earliest possible starting date. For a first impression of the area of responsibility, we are also happy to arrange a conversation with a developer on our team.

Your Benefits at a Glance
